easy kitchen & bath upgrades
that save money and energy!

Fashioned from plantation-grown teak and stainless steel (an entirely recyclable material), this Scandinavian-style flatware takes a formal table setting down a notch. **\$49/FIVE-PIECE SET, VIVATERRA.COM**

Milky recycled-glass tumblers come courtesy of a solar-powered mill. *Esque* **\$49 EACH, OCHRE (212) 414-4332**

Nesting trays crafted from easily replenished mango wood (the trees grow up to 20 feet in a year!) cradle a collection of vintage teacups found on eBay. "Kivi" trays **\$174/SET OF THREE, POTLUCKSTUDIOS.COM FOR STORES**

This antique-y wallpaper (manufactured from recycled paper and with a biodegradable backing) is so striking, we framed it. *Astek "Chrysanthemum"* **\$99/THREE 27" X 15' ROLLS, DESIGNYOURWALL.COM**

dining room

This mix of organic materials—with a few glam flourishes—is as good for you as the best farmers-market fare.

Nepalese artisans compensated with a fair wage (and health care!) weave these silvery place mats from recycled food wrappers. **\$120/SET OF SIX, SPIRALFOUNDATION.ORG**

These salad servers are crafted entirely from natural tree resin—including their brilliant red lacquer finish. "Branch" **\$84 2KH.COM**

Handmade to order, this stately cupboard has a water-based finish and window frames salvaged from a 100-year-old French chateau. *Reclaimed wood* **\$5,295 LILLIANAUGUST.COM**

This classic compote is made of mango wood and finished with a water-based wash. **\$64 POTLUCKSTUDIOS.COM FOR STORES**
